- After SS8. Road book 1, page 119 / box 16

Sunday:

2) SSS1 Autograph session

In the regroup (TC0A-TC0B) previous to the start of SSS1, crews are asked to take part in an autograph session. This will take place close to the fences for spectators.

3) Use of extra lights in SSS1

After checking SSS1 yesterday night, the FIA Safety Delegate and the Stewards consider that the general lightning provided by the organizer for this stage is adequate. All corners and curbs were clearly visible.

It is therefore strongly recommended not to use extra lights during that stage, as this would ruin the live TV production.
